Sing the Promise of Salvation

Hymn To Joy -- Ludwig von Beethoven

Jim Kerr-Whitt

1. Sing the prom-ise of sal-va-tion in the child who will be born!
2. Ev-ry val-ley shall be raised, and ev'-ry moun-tain, hill, made low!
3. Praise we now God our Cre-a-tor, Liv-ing Spir-it, Christ the Son,

Come as hope, as peace for na-tions, for each heart by dark-ness torn!
He will make the crook-ed straight, and smooth the high-way as we go!
For God's sav-ing work un-fold-ing, for the vic-to-ry that's won!

As the Christ was born of Ma-ry, He in__ us is born to-day
The sal-va-tion of our__ God all flesh to-ge-ther now will see.
Look-ing to the Light of__ morn-ing, for the__ Christ's re-turn we wait.

As our minds and hearts are o-pen, as we seek God's Will and Way!
Let us, then, pre-pare the way, His paths make straight, His peo-ple be!
Hum-bly now we join to wor-ship, Christ our Lord we serve in praise!
